Our criminal defense law firm in Los Angeles is proficient in providing you excellent legal counsel for a wide range of criminal cases, including those that relate to drug crimes, theft crimes, federal crimes, violent crimes, sex crimes, juvenile crimes, DUI and a number of other offenses. Our extensive criminal defense experience enables us to develop compelling cases for clients in the face of virtually any type of criminal charge, whether it involves a delicate matter such as child pornography, child molestation, statutory rape, sex offender registration, or sexual battery or relates to a complex financial crime such as alleged health care fraud or credit card fraud.
